Re: *United States v. Omar Anthony Forbes*, 23cr103(PMH)

Dear Judge Halpern,

On June 29, 2023, this Court sentenced Mr. Forbes in the above-captioned case. At the sentencing proceeding, I requested that the Court augment the PSR to include Mr. Forbes' conduct and employment at the Westchester County Jail. I did not have documentation at sentencing, but the Court graciously invited me to provide documentation at a later date.

As such, Sergeant Rogers (#239) provided the following information (bolded) to Probation Officer Flemen on July 7, 2023.

Mr. Omar Forbes (270181) has worked for me from ~3/15/2023 until present. His responsibilities include observing detainees on enhanced supervision units, constantly patrolling and watching for unusual behavior such as restlessness/pacing, punching things, head banging, damaging cell items, crying, lack of appetite, etc, and reporting any unusual behaviors to the block Officer immediately.

Mr. Forbes has had a clear conduct record (no disciplinary reports) during his incarceration and my staff reports that he is always respectful and a diligent worker. Please feel free to contact me should you have any questions or if I can provide additional information.

Regards,
Sgt Rodgers # 239

Mr. Forbes respectfully requests that the Presentence Report be modified to include this information at Paragraph 5 (Adjustment to Incarceration).

I have discussed this request with AUSA Ryan Allison. He has no objection to the request.

Respectfully,

Rachel Martin, Esq.
Assistant Federal Public Defender
